## CORPORATE MEETING

**Monday, November 14, 2022**  
**Morning**

Ecole normale supérieure  
 Salle Jaurés  
 29, rue d'Ulm, 75005 Paris

This Corporate Meeting is organized by the Physics department, in cooperation with the LabEx ENS-ICFP and the PSL's Graduate program. It shall broaden students' career prospects and open uncharted professional areas, where their education through research and their scientific field of interest can be applied. The contact with corporate high-profile speakers - entrepreneurs, program managers and researchers from various backgrounds - shall generate open discussions and experience sharing. It shall shed light on internships, thesis and careers the corporate world can offer. It shall support a pro-active engagement of students in their future careers.

### Schedule

09:10	Introduction	Giulio Biroli	Director of ICFP Master
09:15	St Gobain	Matthieu Baillergeau & Elodie Couttenier	Research engineers
09:45	Magic lemp	Raphaël-David Lasserri	CEO
10:15	Coffee break		
10:45	Chipiron	Romain Couvreur	Numerical Physics engineer
11:15	C12	Pierre Desjardin	CEO
11:45	Agrégation docteurs	Saida Guellati	Vice President Aggregation Doctors

## CORPORATE SEMINAR PROGRAM

Monday, November 14, 2022  
Afternoon

Jaurès room (29 rue d'Ulm)\*

-----

- 14h00-14h25 : research after the Condensed Matter and the Theoretical physics tracks
- 14h30-14h55 : research after the Soft Matter and Biophysics and the Quantum Physics tracks
- 15h00-15h25 : PhD, personal feedback
- 15h30-15h55 : alumni in the private sector

Conf IV (24 rue Lhomond)

-----

- 16h00-18h00 : informal discussions between students and alumni

-----

*\*students without acces card should go to the Physics Department at 24 rue Lhomond where they can ring the bell. Then enter the building, go through the entrance hall, and exit on the other side of the hall into the garden. Cross the garden to the building "Jaures". Enter into this building and then go down to the ground floor.*

**Tuesday, November 15, 2022**

**University of Paris-Saclay, at the Solids State Physics Laboratory,  
building 510, ground floor in the main lecture hall.**

The program for the presentation of the internship topics will be as follows:

**\* 9:30-12:30:** Welcome, coffee break, oral presentations of the internship topics, by different supervisors. There will be two parallel sessions. A more detailed program of the presentations will be available on Tuesday morning.

**\*12h30-13h30:** Lunch break : a lunch box will be offered to you

**\* From 1:30 pm:** Meeting with the supervisors and visit of their laboratories (a list of contacts will be available on Tuesday morning).

To get to the LPS: <https://www2.lps.u-psud.fr/se-rendre-au-lps/> **Please be aware that it takes around 15-20 minutes to come to the lab from the RER "Le Guichet" and that we will start at 9:30 am.**

## Masters ICFP & PCS

Visit of the Sorbonne University laboratories on the campus

**Wednesday November 16th 2022**

*Sorbonne University, Campus Pierre et Marie Curie, 4 place Jussieu, 75005 Paris*

The meeting is at CICSU, Centre International de Conférences @ Sorbonne Université  
between towers 44-45, access tower 44, 1st floor

### *Program*

**10h00**

- Welcome and general presentation in presence of the direction of the Faculty of Physics
- Poster session: students and researchers get organized for the afternoon visits

**12h30-14h** Lunch at the CICSU

**14h** Visit of labs, first round (as organized during the poster session)

**15h** Visit of the labs, second round

Thursday, November 17, 2022

---

**Université PSL (Ecole normale supérieure Paris - Institut Curie – ESPCI - Observatoire de Paris –  
Collège de France)**

ENS – Département de Physique - 24 rue Lhomond

**10.00am-12.30pm: Posters session; discussions with researchers, opportunity to make appointments for visiting laboratories in the afternoon** (rooms L367 + L363+ L382 + Grand Hall)

**12.30pm-01.30pm: Lunch break** : a lunch box will be offered to you

**Afternoon (From 02.00pm): Visit of laboratories** – *as organized by students during the morning session*

**[Click here to see the program](#)**

*In progress*

COLLÈGE  
DE FRANCE  
— 1530 —

l'Observatoire  
de Paris

Physique quantique et applications

ESPCI  PARIS

## RESEARCH SEMINARS PROGRAM

**Friday, November 18, 2022**

**Université Paris Cité**

Physics Department, Amphi 3B Halle aux farines  
10 rue Alice Domon and Léonie Duquet, Paris 13

- \***09.30am:** Presentation of the Physics Department (Atef Asnacios, director)
- \***10.00am:** Presentation of Complex Matter and Systems Lab (F. van Wijland ou L. Limat)
- \***10.30am:** Presentation of AstroParticle and Cosmology Lab (F. Nitti)
- \***11.00am:** Presentation of Materials and Quantum Phenomena Lab (C. Ciutti ou V. Repain)
- \***12.00pm:** Condorcet building, 3rd floor, common area: lunch offered by the UFR and the laboratories
- \***01.30pm:** Visit of labs, first round
- \***03.00pm:** Visit of the labs, second round
