

Open Call for PhD Fellowships

In Experimental and Theoretical Quantum Science and Technology

Application Deadline: 6 January 2020 | Hearings in Vienna: 17 & 18 February 2020

CoQuS provides the opportunity for highly gifted students to obtain a broad and interdisciplinary education and contribute to groundbreaking experimental and theoretical research in quantum physics.

We offer fully funded positions based at the University of Vienna, TU Vienna and IST Austria.

**Apply
online:**
